

Physics Department Colloquium
TCNJ Physics Majors
Summer Research Experiences

Several TCNJ physics majors will discuss their summer research experiences. These students participated in a broad range of projects at here and at universities across the country. They will discuss their research and will give advice on preparing and applying for summer research internships.

Date: September 16, 2016

Time: 12:30 PM – 1:30 PM

Where: Science Complex, P-317
